

By Kevin Siembieda

Gahhh . . . it's the first day of August already. Gen Con is two weeks away, and we continue to work our tails off on all fronts. We continue to work non-stop on trying to finish up **Rifts® Northern Gun™ One** before Gen Con. It's definitely a marathon effort, but worth it.

UPDATE: The Rifter® #63 – Available now

[The Rifter® #63](#) shipped last Friday to subscribers and mail order customers and on Monday to distributors. This is another outstanding issue that I recommend highly. Check out the free Sneak Preview on DriveThruRPG.com or just order your copy today. I think you'll be glad you did, especially if you're a Palladium Fantasy® fan. This issue is epic, with fun and inspiring material for **Palladium Fantasy RPG®**

,
Beyond the Supernatural™,
Rifts®

and a massive photo spread of 90+ images of the sculpts for **Robotech® RPG Tactics™**

. By the way,
The Rifter® #62
and
#61

were pretty darn excellent, too. We're on a roll.

UPDATE: Rifts® Northern Gun™ One

Bigger. Better. Special. These are just a few of the words I'd use to describe [Rifts® Northern Gun™ One](#). To make NG-1 everything it needs to be, especially after you've waited so long for it, I have increased the page size from 160 to 192.

Megaverse Insider

crowdfunding backers will get the book at the price they locked in when they pledged. Plus, I think many of you will be tickled with the special surprise (applicable to most people who supported us at the *Palladium Insider level and up to Benefactor*

. It's been some work and extra effort to implement, but definitely worth it if it makes a couple hundred Rifts® fans happy.

Writing continues to go well and I think I'm about 60-65% done. Alex has been going gah-gah over every hunk of writing I hand him to edit, and I think you will too. There is just so much color, character and detail to Ishpeming and the surrounding areas, as well as the Northern Gun corporation. And the robots and gear, the hovertrain and weapons, delicious. Still working at an insane pace to get this bad boy done and to the printer. Getting close now, and I'm pulling out all the stops to get it to the printer before Gen Con.

UPDATE: Northern Gun™ Two

As soon as I'm done with NG-1 and back from Gen Con, I dive into [this book](#) to get it to you pronto. You'll want and need them both to get the full picture on Northern Gun and all the power armor, vehicles and Robodome of Northern Gun.

UPDATE: Rifts® Megaverse® in Flames™

I've been assigning art and plotting other aspects for this title. Between the two **Northern Gun™** titles and this

book, Rifts® fans will be in a euphoric daze. Coming this Fall.

UPDATE: Books Back in Print

Wayne and I have sent several titles in for reprint so that there are no holes in our line as the holiday season approaches. More titles will get sent in soon as well. [Rifts® Ultimate Edition](#)

was one of them.

Rifts® Game Master Guide, Mindwerks™

and

Rifts® Black Vault™

are three others, along with

Mutant Underground™

,

Century Station™

and

Villains Unlimited™

for the

Heroes Unlimited™ RPG

line. All should be back in stock next week. Like I've said, we have been busy on many fronts.

UPDATE: Robotech® The Macross® Saga Sourcebook – New 8½ x 11 size – Ships August

8, 2013

The printer has confirmed that **Robotech® The Macross® Saga Sourcebook**

in its new 8½ x 11 inch size will ship next Thursday, August 8, 2013. The manga-size book has been discontinued and

Robotech® The Macross® Saga Sourcebook

is being re-released as an 8½ x 11 inch sourcebook. 128 pages – \$16.95 retail –

[Cat. No. 551](#)

– ships August 8, 2013. Get your orders in.

UPDATE: Robotech® UEEF Marines™ Sourcebook One

Coming this Fall. And it is going to be another fantastic sourcebook. More about it in future Updates.

UPDATE: Robotech® RPG Tactics™ Pledge Manager Available Now – Closing

Date: August 31, 2013

Thousands of Kickstarter backers continue to define their pledge levels and add-on purchases in the **Robotech® RPG Tactics™ Pledge Manager**

. It is in this step that backers are able to select all the Add-Ons they wanted as well as purchase additional Add-Ons! That's right, you can purchase as many additional Add-Ons as your heart desires, in any quantity. You can also increase your pledge level.

Closing Date: August 31, 2013

.

Answers to commonly asked questions about the Robotech® RPG Tactics™ Pledge Manager:

- When we ship to our Kickstarter supporters – ALL Kickstarter items and Add-Ons will be shipped at the same time, but depending on how much you ordered, they may come in more than one box.

- Kickstarter Backers will get these items as soon as they hit the Palladium warehouse this Fall. They will be shipped BEFORE they are shipped to distributors and retailers.

- Only the Box Game and initial wave of retail releases (see the full description elsewhere) will arrive in the actual retail packaging. MANY of the items made available to Kickstarter Backers – like the

Monster, Ghost and others – will not be made available on the retail market until a few months down the road. Expansion Packs will be released in waves over time. Our Kickstarter supporters, however, get them right away! That means many of these “advance” Kickstarter items will not come in the retail packaging, but simple bags.

□ Sorry, no details about the **Robotech®**
RPG Tactics™

Battle Foam carrying case other than it will be cool. It is still under development.
